BYFORD CRICKET CLUB

PRESIDENT'S REPORT

Another season is over, unfortunately we didn't make the finals in both grades but we did achieve some pluses from the season.

2B's finished the year in fifth place and on reflection, over the season we only had ourselves to blame for not making the finals once again. The Club Captain Carl Inness made some good contributions but unfortunately did his knee again. All other players made valuable contributions during the year.

4th grade, in hindsight, should perhaps have been in a lower grade, but from all accounts tried their best. It's encouraging to see how keen players were at training and after every game. The experience gained by the new and younger players will be valuable in the seasons to come. Thanks to Dave Hall for his leadership and nurturing.

The Ducks in a season normally fill a pond. This year we'll need the Indian Ocean to put them in !

We have achieved a few things off the field this season, one becoming an incorporated body. The Club now will be known as the Byford Cricket Club Incorporated. The Constitution that everyone received tonight contains the rules and regulations that this Club will abide by until a change is made to any rule or by-law. One of the main reasons for incorporating the Club was to get our own liquor license, which I am happy to inform you we are in the final stages of doing. Also the Committee along with the Shire have submitted a grant to relocate the practise nets to the northern end of Briggs Park behind goals. So if your phone rings during off season its for a working bee because there's a lot of work to be done !

In closing, I feel in some ways it's been a successful season for the Club. I'd like to thank all the players and the Committee for making my year as President an enjoyable one. I feel if we can work together during the off season with net relocation, our facilities next season will be excellent. Once again thanks to everyone who did their little bit this season and remember the Club is only as strong as its members.

The Annual General Meeting will be held on Saturday 20 April, at 2pm at the Byford Tavern - back bar. If you want a say or want to be on the Committee, please come along and show your support for your Club.
